Staff Spotlight: Congratulations to the Staff Spotlight winner of the second quarter, Mrs. Heldman, who teaches Kindergarten. When asked what they love about their teacher, her students said that Mrs. Heldman is nice, helpful, lets them do fun crafts, and she lets them sharpen their pencils! As the winner of the Staff Spotlight, Mrs. Heldman received a gift card and is featured on the wall of the elementary school entrance. Keep up the great work, Mrs. Heldman; we appreciate your efforts in and out of the classroom!
