

**March 6th - 7th edition**

Hello Parents,

Our third quarter is moving swiftly! I am enjoying the many activities going on in the classrooms each day. We are very fortunate to have staff members who are making a difference each day! We are currently interviewing for our K-12 Choir position and 7-12 English position. We also will be announcing our new head football coach at our next board meeting on March 13th. Exciting times.

Spring testing is around the corner! We will post the testing schedule on the website soon and I will text you each evening as a reminder. It is important that our students eat breakfast and get plenty of rest.

I would like to congratulate our Winter sports teams and co-curricular students who participated in their competitive schedules! Our Pep Band demonstrated great energy and the Loud Crowd displayed tremendous enthusiasm during each home game.

Best wishes to our spring sports teams and SENIORS, who have one quarter remaining as a RED DEVIL!
