

# ARLINGTON RED DEVILS

## *Marcum Material December 1*

### *Reminders:*

- Santa Shop, coordinated by PTO, will be next week: December 4th-December 7th.

### *Save the Date:*

- 1st, 2nd, 3rd Grade Christmas Program: December 14th

***Synergy Session:*** Attention, parents! The staff of Arlington Elementary needs your help! For next week's Synergy Session (December 8th), students (grades 1-6) will be participating in an activity that will require some help from you. In order to be successful, we are asking for the following items to be donated: Rubber bands (various sizes), jingle bells (any size); paper bowls; yarn; saran wrap; parchment paper; sewing string; plastic/disposable cups; popsicle sticks; beads; a bag of popcorn kernels; bag of dried pinto beans. We would also accept empty tissue boxes, paper towel/toilet paper rolls, shoe boxes or boxes of similar sizes. You may donate these items to your child's homeroom teacher any day next week. Thank you for your support!

### *This quarter's Staff Spotlight feature is: Mrs. Begg!*

At the end of each quarter, we recognize a staff member at Arlington Elementary for their hard work and commitment. Mrs. Begg is a veteran teacher with a wealth of knowledge. Possibly her most valuable quality as a teacher is that she understands that each student learns differently, and she does everything she can to ensure that each student has what they need to be successful. Mrs. Begg's favorite part of working at Arlington is that she starts with students in second grade, yet she gets to see how they advance all the way through graduation— oftentimes meeting a sibling or two along the way. For her efforts, Mrs. Begg has received a gift card and is featured on a bulletin board just outside of the auditorium. Thank you for your hard work, Mrs. Begg! And thank you, PTO, for sponsoring our Staff Spotlight!
