2021-22 Elementary (K-6) Parent/Teacher Conference Update

Like in years past, our desire is to collaborate with parents and provide input regarding your children's progress at school. It is always our goal in the elementary to conference with 100% of our parents. If parents have health concerns or are more comfortable, a conference over the phone can be held in place of an in person meeting.

Teachers will be in contact with parents in order to set up a time to conference. Please understand that our conferences will NOT be limited to four evenings like in past years, but rather will stretch over a time span of several months of the school year. Hopefully, this will allow for more options to meet. Thanks for your support! If you have any questions regarding conferences, please contact your child's teacher.

Upcoming:

-October 11 is Columbus Day- we **DO** have school 😊

-If you are not buying your school pictures or want retakes, please send back your photos that were just sent home. Picture retakes are October 18.

-There will be a 2 hour early release from school for Thanksgiving break and Christmas break. Dismissal will be at 1:00pm on both November 24, and December 22.
