**Friday 26th-** LAST DAY OF SCHOOL (2 hour early release)

### **Field Day and Amazing Race:**

On Thursday, May 25<sup>th</sup>, our K-6 students will again be participating in a Field Day and Amazing Race event. Plans are in the works. Thank you to our parent volunteers, coordinators and PTO for supporting this fun end of year activity.

1) Mrs. Stahl and Mrs. Beach are leading the coordination for field day. Our Kindergarten-4<sup>th</sup> grade students will be involved in a fun afternoon of games and activities with their classmates on the track. A form was sent home seeking volunteers as well as the opportunity to donate items. Parents are welcome to stop by the track to view the fun if they have time in their day. Students will not be dismissed early on this day. Students in grades K-4 will have a normal lunch in the cafeteria.

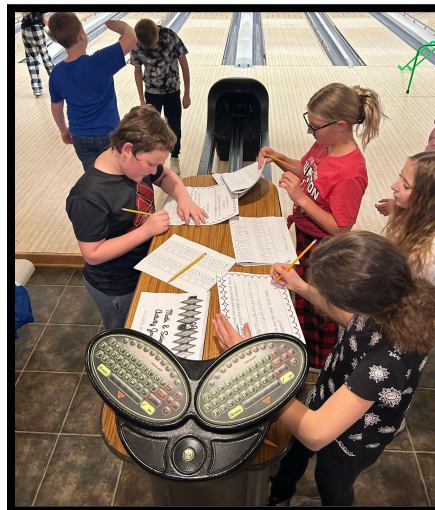

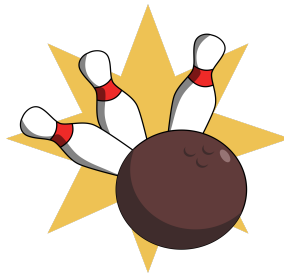

2) Mrs. Clark is coordinating the Amazing Race. The Amazing Race is for our 5<sup>th</sup> and 6<sup>th</sup> graders. These students will participate in this activity through the morning hours. A cookout lunch and drink will be provided by a group of volunteer parents to all 5<sup>th</sup> and 6<sup>th</sup> graders. The Amazing Race should conclude around noon, followed by the cookout lunch. At this point, Mrs. Clark is not in need of additional volunteers to run the Amazing Race. A form was sent home seeking volunteers for the cookout. Students will not be permitted to leave early this day.

# ARLINGTON RED DEVILS

Mrs. Beggs' class did a STEM project making roller coasters with their Force & Motion unit.

5th grade also learned about force and motion on a bowling alley trip!

## GIFT CARDS

It's that time of year to honor the **MOMS, DADS & GRADS** in your life. If you don't know what to give that special someone, let The Academic Alliance help you purchase gift cards for those special occasions!! These gift cards are no additional cost to you! If you purchase a \$25 gift card, you pay \$25! We have a large inventory in stock ready for you to purchase.

A percentage of the earned reward will be applied to your student's 2023-2024 school fees. The remainder is used for classroom grants.
