

- The elementary Homecoming Spirit Week Flier is attached for next week. As a reminder, please review carefully as sometimes the *elementary day themes differ from the high school themes*. We try to accommodate Spirit Week to the younger crowd.
- **Picture day is Monday, September 19!**
- If students will not be attending school for any reason, please call in and let the office know the student will be out for the day. Upon their return, parents need to send in an absence note excusing them for the school's records. If a note is not turned in, the student's absence will be counted as unexcused.
- **Update from Guidance:** Thank you to everyone who signed up their child for group counseling! There are many children interested in participating in group counseling this year, and I am working on organizing my schedule to include every student who signed up. For grades K-1, I am beginning with Friendship and Anxiety; for grades 2-3, I am starting with Friendship and Anxiety; and with 4-6, I am starting with Friendship. These groups will begin the last week of September and continue through October. In November, I will begin the next round of group counseling. I am sending home permission slips that include the dates/times for group counseling in a sealed envelope early next week. Please sign and return those to your child's teacher before September 26th. If your child signed up for a different group, you will be receiving more information later in October. As always, if you have questions, you may contact me via email at kellyk@arlingtonlocal.org.

Did you know?

By visiting the school website and clicking on "Lunch Balance" parents can create a Pay Schools account. This allows you to monitor your child's lunch balance and even get alerts when their balance is low. You can also set up to directly deposit money straight into their accounts!
