## Staff Spotlight:

- We are proud to present Mrs. Lori Russell as the staff spotlight feature for the third quarter. Lori is an incredibly kind, calm, poised, and consistent teacher; above all, she is a major advocate for her students. "What I love about Arlington is that we are a K-12 building where I get to watch my students grow and change throughout the years and watch them build confidence in themselves." To thank her for her efforts, Lori received a gift card sponsored by the Arlington PTO, and she will be featured in the elementary school entrance.
