

The PTO put on a school-wide "Appreciation Week"; each day focused on different positions within the school, including teachers, custodians, administrators, bus drivers and cafeteria workers. We just want to say thanks again to everyone for all that they do to make Arlington School and community great!

Friday 26th- LAST DAY OF SCHOOL (2 hour early release)

Field Day and Amazing Race:

On Thursday, May 25th, our K-6 students will again be participating in a Field Day and Amazing Race event. Plans are in the works. Thank you to our parent volunteers, coordinators and PTO for supporting this fun end of year activity.

1) Mrs. Stahl and Mrs. Beach are leading the coordination for field day. Our Kindergarten-4th grade students will be involved in a fun afternoon of games and activities with their classmates on the track. A form was sent home seeking volunteers as well as the opportunity to donate items. Parents are welcome to stop by the track to view the fun if they have time in their day. Students will not be dismissed early on this day. Students in grades K-4 will have a normal lunch in the cafeteria.

2) Mrs. Clark is coordinating the Amazing Race. The Amazing Race is for our 5th and 6th graders. These students will participate in this activity through the morning hours. A cookout lunch and drink will be provided by a group of volunteer parents to all 5th and 6th graders. The Amazing Race should conclude around noon, followed by the cookout lunch. At this point, Mrs. Clark is not in need of additional volunteers to run the Amazing Race. A form was sent home seeking volunteers for the cookout. Students will not be permitted to leave early this day.
