#### PRE-EMPLOYMENT REQUIREMENTS:

I have been advised and understand that:

- 1. The background information supplied by an applicant for a position will be checked by the Hancock County Educational Service Center to assure the accuracy of the data furnished and the past performance record of the candidate.
- 2. I authorize the Hancock County Educational Service Center to make such investigations and inquiries of my personal, employment and related matters as may be necessary in arriving at its employment decision. I hereby release current and past employers, schools or persons from liability in responding to inquiries in connection with my application for employment.
- 3. I understand that as a precondition to employment in the position for which I am applying I must provide a set of fingerprints and satisfactorily pass a criminal record check if I come under final consideration for employment. (A certified copy of a BCI background check performed within the last year would also be acceptable.) I will pay any costs associated with the fingerprinting and criminal records check requirement.
- 4. I understand that any offer of employment is conditional upon the Hancock County Educational Service Center receiving a satisfactory record check from the Ohio Bureau of Criminal Identification and Investigation. I understand that if the criminal record check is not satisfactory, that a local board of education is not permitted by state law to employ me and must release me from any conditional contracts of employment.
- 5. I certify that all the information that I have provided to the Hancock County Educational Service Center is complete and accurate and is submitted with the intent that a local board of education will rely on this information in making its employment decisions. I understand that, should the employer discover that I have falsified any such information, I will not be hired, or if already hired, will be subject to termination from employment on that ground.
- 6. This information is valid from one year from the date of the BCI record check. Consideration after this time period will once again require the applicant to complete all pre-employment requirements.
