A *HUGE* thank you to Mrs. Emily Clark for preparing and running the 5th and 6th grade Amazing Race; also, thank you to Mrs. Alicia Stahl and Mrs. April Beach for also preparing and prepping all the K-4 Field day activities! We also know it wouldn't have been possible without the help of all the other adult volunteers, teachers and staff! Congratulations to the PINK Team for winning the Amazing Race. For the first time ever, a fifth-grade team was able to come together to win it all.

**Staff Spotlight:** At Arlington Elementary, we truly believe that we have the finest staff around. The Staff Spotlight feature is a small testament to the pride we take in our teachers' daily efforts of educating our children. This year's Staff Spotlight featured: Bonnie Begg, 1st quarter; Veronica Crawford, 2nd quarter; and Kathy Bishop, 3rd quarter. Our 4th quarter staff spotlight feature is another veteran teacher, Mrs. Denise McCutcheon. If your son or daughter has worked with Mrs. McCutcheon, it is certain that they have only fond memories of their experience (and when they stop working with her, they miss her tremendously). Mrs. McCutcheon is our Title I teacher who has great success in advancing students' reading abilities. For Mrs. McCutcheon's efforts, she will receive a gift card compliments of the PTO. Congratulations, Mrs. McCutcheon, and enjoy your summer; you have certainly earned it!
